Ingredients: Purified water, Aloe Vera Gel, Green Tea Extract, Chamomile Extract, Cucumber Extract, Rosehip Extract, Comfrey Root Extract, White Willow Extract, Lecithin, Allantoin, Hyaluronic Acid (Super Skin Hydrator), Dexapanthenol Vitamin B-5, Sodium PCA, Vegetable Glycerin, Sodium Ascorbate (Vitamin C-Ester), Grape Seed Extract, Pinus Pinaster (Super Anti-Oxidant Pycnogenol) Bark Extract, Super Anti-Oxidant Astaxanthin, Natural Essential Oils.

PROS:

- 19 of the 19 Ingredients are Natural. 17 of the 19 ingredients are Active Ingredients promoting positive skin care improvement.
- The 2nd Ingredient is an Active Ingredient; Aloe Vera, which means it is quite potent. (See Aloe Vera below)
- Astaxanthin - A Super Anti-Oxidant:** The Most Potent Anti-Oxidant Discovered. 500 times more powerful than Vitamin E in neutralizing Free Radicals. 1000 times more effective than both Beta-Carotene (Vitamin A) and Lutein.
- Pycnogenol - A Super Anti-Oxidant:** Clinically proven to plump wrinkles by growing Collagen, and increase skin hydration, higher elasticity and overall smoother skin appearance. Clinically-proven to be 50 times more powerful than Vitamin E and 20 times more effective than Vitamin C in neutralizing Free Radicals that cause damage to the skin.
- Grape Seed Extract - A Super Anti-Oxidant:** contains several plant compounds, including oligomeric proanthocyanidins, or OPCs. OPCs are powerful Anti-Oxidants. According to a report from the Food Research Center in Guelph, Canada, OPC's in grape seed extract contain 20 times the antioxidant power of vitamin E and 50 times the antioxidant power of vitamin C. The report, published in the Winter 2003 issue of "Journal of Medicinal Food," states that grape seed extract can protect the body from sun damage. The sun can damage skin by causing wrinkles, pigment changes and skin cancer.
- Aloe Vera:** Contains 75 nutrients, 200 active compounds, including 20 minerals, 18 amino acids & 12 essential vitamins for optimal skin health. Naturally soothes irritated skin and reduces redness and inflammation. It also has anti-bacterial properties, which helps prevent break-outs, and helps keep blemishes from returning.
- Hyaluronic Acid:** The #1 Super Skin Hydrator! Holds its weight 1,000 times in water, creating super hydrated, plump skin. Helps give you a more youthful, dewy look.
- Vitamin C-Ester®:** Incredible skin firming Anti-Oxidant. This special form of Vitamin C protects the water-soluble structures of the skin from Free Radical damage. It stimulates Collagen growth to maintain and improve skin tone, firmness, flexibility and elasticity.
- Green Tea:** A clinically-proven Anti-Oxidant known to slow the signs of aging. Neutralizes the damage caused by exposure to UV rays & rejuvenates old skin cells that are at the end of their life cycle. A powerful anti-inflammatory – works great on sensitive, red skin, great on blemishes – proven to be as good as benzoyl peroxide cream in treating acne conditions with fewer side effects.
- Chamomile:** Calms and improves skin texture & elasticity, reduces signs of photo-damage. Its anti-inflammatory properties make it ideal for Rosacea.
- Cucumber:** Naturally soothes & softens skin. Helps to reduce inflammation and dark circles under the eyes.
- White Willow Bark:** Essential acne active that increases skin cell turnover, controls oil, prevents pore clogging and prevents blemishes.
- Pro-Vitamin B5:** Delivers essential moisture that helps hydrate & soothe skin. It attracts & locks in moisture. It helps protect skin as well as support healthy Collagen & Elastin. It improves skin softness and elasticity. This skin-conditioning Vitamin has also been shown to help regenerate healthy skin & reduce inflammation.

Beautify® DermaToner - (Continued)

14. **Lecithin:** (derived from Soy) is used in our DermaToner because it has several benefits; it's high content of vitamin E to help your face look younger and more beautiful. Dryness is alleviated when using Lecithin because it retains skin hydration. It also acts as an Anti-Oxidant to prevent the effects of Free Radicals in the skin. Lecithin also helps to stimulate the appearance of collagen in the skin, so that the face looks more rejuvenated!
15. **Comfrey:** Stimulates new skin growth giving firmer, healthy skin.
16. **Allantoin:** Rejuvenates skin, promotes cell replication & hydrates your skin.
17. **Glycerin:** Glycerin is a skin-identical and skin-repairing ingredient, meaning it is a substance found naturally in skin. It helps maintain the outer barrier making it a wonderful skin moisturizer ingredient.
18. **Rose Hips:** Used to reduce the appearance of wrinkles, age spots and shrinks large pores. It promotes the skin's natural regeneration cycle helping it produce more Collagen & Elastin.
19. **Sodium PCA:** Retains moisture: It is an important Humectant, due to the fact that it is extremely water absorbent and can hold several times its weight in water. It helps reduce loss of moisture, through evaporation. Anti-aging: Our skin naturally contains PCA, but as we age these levels drop quite considerably.

DERMATONER DIRECTIONS: Cleanse first using your favorite Beautify® Cleanser. *After cleansing;* generously spray on face/ neck. *Avoid spraying into eyes.* Let dry then apply Beautify® Serum, Eye Treatment, Sunscreen and/or Moisturizer.

CONS: None

ITEMS OF CONCERN: None

SUMMARY: One of the Finest Toners Ever Created. Power-Packed with 17 Active Ingredients (out of 19).
