Ingredients: Aqua Distillata (Purified water), **Safflower Oil**, **Glycerin**, **Cetyl Alcohol**, **Stearic Acid**, **Glyceryl Stearate Citrate**, Polysorbate 60, **Alpha-Arbutin**, **Xanthan Gum**, **Cetearyl Glucoside**, **Potassium Cetyl Phosphate**, **Glyceryl Stearate**, **Glyceryl Stearate SE**, **Ascorbyl Palmitate (Vitamin C-Ester)**, **Ethylhexyl Palmitate**, **Olea Europaea (Olive) Fruit Oil**, **Butyrospermum Parkii (Shea Butter) Fruit**, **Silybum Marianum (Milk Thistle) Extract**, **Camellia Sinensis (Green Tea) Extract**, **Panax Ginseng Extract**, **Glycyrrhiza Glabra (Licorice) Root Extract**, **Potassium Sorbate**, Phenoxyethanol, Ethylhexylglycerin, **Natural Fragrance**

PROS:

1. 23 of the 25 Ingredients are Natural and 15 of the 25 ingredients are Active Ingredients promoting positive skin care improvement.
2. Contains Safe & Natural Melanin inhibitors to effectively reduce dark/brown age spots & pigmentation
3. **Safflower Oil:** The 2nd Ingredient is an Active Ingredient, which means it is quite potent. This special oil is one of the richest sources of Linoleic acid, a Natural moisturizing agent, and is an essential Omega-6 fatty acid. It is a necessary nutrient and helps maintain elasticity in the skin by removing flaky, dry skin and enabling the skin to retain moisture and prevent blemishes
4. **Alpha-Arbutin:** A natural dark Age spot inhibitor corrects uneven skin tone. As effective as Hydroquinone, yet much safer. (*Hydroquinone is banned in many countries around the world*). Contains a high potency for maximum results.
5. **Green Tea:** A clinically-proven Anti-Oxidant known to slow the signs of aging. Neutralizes the damage caused by exposure to UV rays, & rejuvenates old skin cells that are at the end of their life cycle. A powerful anti-inflammatory – works great on sensitive, red skin, great on blemishes – proven to be as good as benzoyl peroxide cream in treating acne conditions with fewer side effects.
6. **Ginseng:** Clinically proven to improve wrinkles, encourage Collagen growth and brighten/lighten skin.
7. **C-Ester® - Vitamin C:** Incredible skin firming Anti-Oxidant. This special form of Vitamin C protects the water-soluble structures of the skin from Free Radical damage. It stimulates Collagen growth to maintain and improve skin tone, firmness, flexibility and elasticity.
8. **Olive:** Potent Anti-Oxidant fighting inflammation, protects against photo-damage & hydrates the skin.
9. **Shea Butter:** Clinically-Proven Active Ingredient with Anti-Inflammatory properties, healing qualities & is rich in Anti-Oxidants Vitamin A & E.
10. **Licorice:** Clinically-proven to help with Melasma & Rosacea. Helps reduce/prevent blemishes, dry skin and lighten dark age spots.
11. **Milk Thistle:** A Natural Anti-Oxidant helps with dry skin, Rosacea & gives skin a natural glow.
12. **Glycerin:** Glycerin is a skin-identical and skin-repairing ingredient, meaning it is a substance found naturally in skin. It helps maintain the outer barrier making it a wonderful skin moisturizer ingredient.

CONS: None

ITEMS OF CONCERN: None

Beautify® DermaBright Moisturizer Crème - (Continued)

SUMMARY: Formulated with 23 Natural ingredients (out of 25 total) for Dark Age Spots & Uneven Skin Tone. Effective, Yet Safe & Gentle (*Hydroquinone Free*). Contains Anti-Aging Anti-Oxidants Green Tea, Ginseng, Vitamin C & Olive to Help Fight, Reduce & Prevent the Visible Signs of Aging, while lightening & brightening skin. Synergistically created to work with DermaBright Serum & DermaBright Cleanser for better results.

DermaBright Moisturizer Crème Directions: Use Beautify Cleanser & Toner first. Then apply a pea-sized amount of Moisturizer crème into a clean hand and apply 1 dot each to your forehead, cheeks, nose and chin. Use another pea-sized amount for your neck area. Gently push & pat the crème into your skin. Do not pull down on your skin. Apply twice a day - morning & evening.

Add more Moisturizer crème for dryer areas or areas of concern. Allow the crème to soak in and dry for 2 minutes before applying foundation & make-up. For best results; apply a Beautify Serum first, under Moisturizer.

NOTE: DermaBright does not bleach dark spots, rather it safely inhibits the growth of melanin, the very thing that gives dark spots their dark color.

A note about two Beautify ingredients; Phenoxethanol & Ethylhexylglycerin. Some Beautify products contain a very small percentage of these two synthetic preservatives. These two ingredients are used instead of using Parabens, which are known to be dangerous Endocrine Disruptors. If Phenoxethanol & Ethylhexylglycerin are not refined, they can contain some dangerous sub-ingredients, such as; 1,4 Dioxane, which is a proven Carcinogen. **Both the Phenoxethanol & Ethylhexylglycerin in Beautify Skin Care products are ultra-refined, and have been third party lab tested to show they do not contain any dangerous ingredients.** Most skin care lines do not refine or test these two ingredients.

Phenoxyethanol is chemical found in Green tea. Although synthetically created in a lab, it approved world-wide & does not release formaldehyde. Further studies and accumulated safety data have shown that it is practically non-toxic via skin application.

Ethylhexylglycerin is derived from Coconut & Natural grains, however it is synthetically altered for skin care products. Ethylhexylglycerin is used in bath products, skin, body & hand products, cleansing products, deodorants, eye makeup, foundations, hair care products & suntan products.

Beautify® is One of the Finest Natural Skin Care Line Creating Better, Healthier & More Youthful Looking Skin!

- **Professional Grade:** A Higher Potency for Better Results, Yet Safe & Gentle.
- **The Finest Super Anti-Oxidants:** The #1 Cause of Skin Issues are Free Radicals.
