Active Sun Protection Ingredient: **Micronized Zinc Oxide - 19%**

Inactive (Non-Sun Protection) Ingredients: **Aloe Barbadensis* (Aloe Vera gel), Purified Water, Camelia Sinensis (Japanese Green Tea) Leaf Extract, Caprylic/Capric Triglycerides (derived from coconut oil), Glycerin (vegetable), Butyrospermum Parkii (Shea Butter), Olea Europaea (Olive) Oil, Lecithin Phospholipid (Amino Acid), Hyaluronic Acid (#1 Skin Super Skin Hydrator- vegan source), Simmondsia Chensis (Jojoba) Oil*, Squalane (Olive), Panthenol (Vitamin B5), Tocopheryl (Vitamin E), NaPCA, Posa Moscha (Rose Hips) Oil, Centella Sistica (Goto Kola), Copper Gluconate (Peptide), Magnesium Ascorbyl Phosphate (Vitamin C), Fucus Vesiculosus (Seaweed) Extract, Allantoin, Sodium Riboflavin Phosphate (Vitamin B2), Chondrus Crispus (Irish Moss), Lavandula Officinalis* (Lavender) Essential Oil, Anthemis Nobilis* (Chamomile) Flower Essential Oil, Vitis Vinifera* (Grape Seed) Extract.**

PROS:

1. **26 of the 26 Ingredients are Natural. 25 of the 26 ingredients are Active Ingredients, promoting positive skin care improvement. Contains 7 Anti-Oxidants to fight off Free Radical damage caused by the Sun, such as; Vitamins B2, B5, C, E, Green Tea & Grapeseed. Also contains a Copper Peptide (See below #10). Even contains Hyaluronic Acid to super-hydrate your skin! Available in Plain & Lavender scent. You'll quickly see why it's named World's Best!**
2. Our Sun Screen quickly & easily absorbs into skin. It is non-greasy, which means you can easily apply makeup over it. Fights both UVA & UVB rays - **SPF 30 Fights both UVA & UVB rays.** Reef Safe. *(Not water-proof)*
3. **Aloe-Vera** - Our very first Ingredient, which means it contains a very high percentage. Aloe contains 75 nutrients, 200 active compounds, including 20 minerals, 18 amino acids & 12 essential vitamins for skin. Aloe naturally soothes irritated skin and reduces redness and inflammation. It also has anti-bacterial properties, which helps prevent break-outs, and helps keep blemishes from returning.
4. **Zinc Oxide: 19% SPF 30.** Natural minerals that shield against the potentially harmful effects of the sun. It forms a protective barrier over the surface of the skin, neutralizing UV rays before they have a chance to damage the cells. It is the only Natural Ingredient on the market recognized by the FDA as a Category I skin protectant. Additionally, Zinc Oxide is known to be stable and will not degrade in the sun.
5. **Vitamin C:** A powerful Anti-Oxidant that helps prevent damage caused by free radicals. Over time, free radical damage accelerates aging. Vitamin C helps reduce the appearance of brown spots and other types of sun damage, helps boost healthy Collagen production firming skin, reduces inflammation & irritation, both of which cause skin damage, fade post-breakout red marks by improving skin's natural healing response, **Increase the effectiveness of sunscreens and boosts your skins defense against UV exposure.** *Source: (Dermatological Surgery, 2008 & Journal of the American Academy of Dermatology, 2012 & The Journal of Clinical and Aesthetic Dermatology, 2010).*
6. **Vitamin E:** A well-known Anti-Oxidant. Its unique chemical structure enables it to effectively and safely quench Free Radicals. Topically applied Vitamin E is an excellent moisturizer that helps keep the skin healthy and soft. This valuable nutrient locks moisture into the skin and prevents dehydration.
7. **Vitamin B2:** Also called Riboflavin, is an important vitamin that also acts as a Powerful Anti-Oxidant within the body. Vitamin B2 is responsible for maintaining healthy skin cells & prevents conditions like eczema & dermatitis.
8. **Vitamin B5:** Excellent skin hydration & improves skin softness & elasticity.
9. **Grapeseed: A Super Anti-Oxidant.** Contains several plant compounds, including oligomeric proanthocyanidins, or OPCs. OPCs are powerful Anti-Oxidants. According to a report from the Food Research Center in Guelph, Canada, OPC's in **grape seed extract contain 20 times the antioxidant power of vitamin E and 50 times the antioxidant power of vitamin C.** The report, published in the Winter 2003 issue of "Journal of Medicinal Food," states that grape seed extract can protect the body from sun damage. The sun can damage skin by causing wrinkles, pigment changes and skin cancer.
10. **Copper Peptide:** A Super-Peptide that Aids in Collagen Growth. We lose 1% of our Collagen every year starting at age 25. *So if you are 50 years old, you have lost 25%!* This Peptide can help re-grow Collagen.

Beautify® World's Best Sun Protection - (Continued)

11. **Green Tea:** A clinically-proven Anti-Oxidant known to slow the signs of aging. Neutralizes the damage caused by exposure to UV rays & rejuvenates old skin cells that are at the end of their life cycle. A powerful anti-inflammatory – works great on sensitive, red skin, great on blemishes – proven to be as good as benzoyl peroxide cream in treating acne conditions with fewer side effects.
12. **Hyaluronic Acid:** The Best Skin Hydration Discovered. Hyaluronic Acid (HA) is a “moisture magnet” and is perfect for rehydrating dry, thirsty, aging skin. Hyaluronic Acid can hold up to 1000 times its own weight in water creating super hydrated skin. 10% of our skin is made up of HA.
13. **Shea Butter:** Clinically-Proven Active Ingredient with Anti-Inflammatory properties, healing qualities, and is rich in Anti-Oxidant Vitamins A & E.
14. **Gotu Kola:** Provides an effective anti-aging skin care treatment improvement of the moisture barrier and providing collagen support and offers dramatic improvement in general support of the skin's underlying structure; where healthy skin begins. Helps with Cellulite, Elasticity, Skin Firmness, Vascular Tone & Collagen Synthesis / Stimulation.
15. **NaPCA (Sodium PCA)** is skin hydrator and an important component of this intracellular matrix, preventing our skin cells from losing water and drying out, especially important if you are in the sun. It reduces inflammation in our skin, by preventing surface irritation from becoming too serious, and penetrating deep into the epidermis (the outer layer of our skin).
16. **Irish Moss:** Contains Vitamins A, B, C & D that nourishes the skin. Also contains vital minerals our skin needs; very high amounts of potassium, calcium, phosphorous, sodium, iron, magnesium, chlorine, sulfur, copper, iodine and other trace minerals. Helps achieve healthier, rejuvenated skin.
17. **Olive Oil:** Potent Anti-Oxidant fighting inflammation, protects against photo-damage & hydrates the skin.
18. **Glycerin:** Glycerin is a skin-identical and skin-repairing ingredient, meaning it is a substance found naturally in skin. It helps maintain the outer barrier making it a wonderful skin moisturizer ingredient.
19. **Allantoin:** Rejuvenates skin, promotes cell replication & hydrates your skin.
20. **Jojoba:** Excellent for oil control and keeping your skin clear & balanced.
21. **Chamomile:** Calms & improves skin texture and elasticity, reduces signs of photo-damage. Its anti-inflammatory properties make it ideal for Rosacea.
22. **Lecithin:** An Amino Acid. (derived from Soy) has several benefits; it's high content of vitamin E to help your face look younger and more beautiful. Dryness is alleviated when using Lecithin because it retains skin hydration. It also acts as an Anti-Oxidant to prevent the effects of Free Radicals in the skin. Lecithin also helps to stimulate the appearance of collagen in the skin, so that the face looks more rejuvenated!

World's Best Natural Sunscreen Directions: Apply liberally 15 minutes before sun exposure to exposed skin. Rub into skin until white cream disappears. Reapply at least every 2 hours & after swimming, prolonged perspiring or toweling. **Note: Beautify Natural Sun Protection is not water-proof.** Works perfect under make-up; Beautify Natural Sun Protection is non-greasy & leaves no residue.

CONS: Not Water-Proof

ITEMS OF CONCERN: None.

SUMMARY: 100% Natural. One of the finest Sunscreen's available today. Fights both UVA & UVB rays - SPF 30 (Not Water-Proof). Loaded with Vitamins & skin rich ingredients that pamper skin.
